

Patriotic Pops

Yield: 12 Popsicles

2 cups blue Kool-aid (or blue drink of choice)
1 cup whipped cream
1 cup vanilla yogurt
2 cups red Kool-aid (or red drink of choice)
12 (5 oz) disposable cups
12 wooden craft sticks

Pour about 1/4 cup of the blue drink into each of the 12 disposable cups. Freeze until partially frozen, about 30-45 minutes.

In a small bowl, mix together the whipped cream and yogurt. Equally divide the yogurt mixture among the cups. Add a craft stick to the center of each cup and return to the freezer for another 45 minutes.

Remove from the freezer and pour 1/4 cup of the red drink into each cup, on top of the yogurt mix. Freeze until solid.

Run briefly under warm water to remove the popsicles from the cups.
